
ADRIAN WILLANGER

Seattle, WA • adrian@adrianwillanger.com • (206) 909-7536
Licensed Real Estate Broker — WA & ID

SUMMARY

Real estate professional with strong experience in digital marketing, workflow design, and technology-driven communication. Early adopter of digital tools — from pioneering virtual-tour systems to today's AI-enabled workflows. Skilled at evaluating AI-generated real estate conversations for accuracy, clarity, tone, and customer experience. Known for translating complex real estate concepts into clear, actionable messaging.

Current brokerage: **Kelly Right Real Estate (WA & ID)**
Previous affiliations: **Windermere, Coldwell Banker**

AI & WORKFLOW SKILLS

- AI conversation review & scoring
 - Prompt logic, task structure, and workflow evaluation
 - Pattern recognition & model-behavior analysis
 - Accuracy, compliance, and tone assessment
 - Real-estate domain expertise for model tuning
 - Automation & workflow design (n8n, structured logic flows)
 - Clear, concise rewriting of AI-generated content
-

EXPERIENCE

Digital Marketing & Workflow Consultant — Seattle, WA

Provided digital strategy and workflow support for real-estate and service-industry clients. Focused on improving customer communication and integrating emerging technology into operations.

- Built digital ecosystems (websites, blogs, email campaigns, social media).
- Developed early virtual-tour and digital-media solutions before modern web editors existed.

- Designed workflow systems to streamline marketing and lead generation.
- Current focus: **AI-assisted workflows** and content evaluation.
